CURRICULUM

We strive to keep our curriculum fresh, fun and diverse by covering a wide range of subjects including Jewish history, Torah, holidays and Shabbat, Israel and Jewish values. Our Hebrew reading curriculum is based on the internationally acclaimed Aleph Champion™ Reading Program, a motivational system that's been proven to be the most effective method of teaching Hebrew reading, writing and conversational Hebrew to children.

Our Judaic studies curriculum is comprised of material culled from award-winning educational programs such as ToraPedia, Jewish Lifecycles and Lessons in Hebrew Holidays.

JUDAISM COMES ALIVE!

The richness and beauty of our Jewish traditions come to life at the BACH. Our dynamic programs educate, stimulate, excite children and offer practical relevance. We believe that a child's Jewish learning must be creative, memorable and fun. Beyond imparting typical textbook lessons, Jewish Discovery Program instructors share their own love and passion for Jewish life so our students don't just love to learn about Judaism—they learn to love Judaism too!

INCLUSIVE POLICY

Our friendly and inclusive policy means every Jewish child is welcome regardless of affiliation, religious observance or prior knowledge. Our diverse student body provides a setting where your child will be comfortable and able to learn at a relaxed place.
